

ANNUAL REPORT

20
22

Building new lives for families
and individuals experiencing
homelessness through construction,
community engagement, and education.

Mission

HomeAid National Capital Region’s mission is to help people experiencing or at risk of experiencing homelessness build new lives through construction, community engagement, and education.

Our commitment to building and renovating nonprofit housing and facilities will always be our priority and our mission and core values will remain the same. We will continue to work closely with old and new partner organizations and collaborate with local builders and trade partners to create incredible and meaningful transformations.

Rebrand

Our board and staff have made it our priority to grow with intention as an organization so that we can continue to partner with nonprofits who are making remarkable strides in our region. With that in mind we updated our organization’s name to HomeAid National Capital Region to better reflect the geographical area we serve.

The rebrand provides a unique, aesthetically enriched design that fosters a new approach to our visual communication in print and digital content including a new color palette, typography, logo, and icon. Our new geographic tagline allows us to thoughtfully broaden our reach to serve more people and collaborate with new nonprofits.

Construction Projects

Each construction project HomeAid takes on has a Builder Captain. Builder Captains provide the leadership and direction to complete a project envisioned by the nonprofit partner. Builder Captains rally the support of their sub-contractors and trade partners, suppliers, and manufacturers to bring in-kind donations of labor and materials to complete the project, thus minimizing the overall costs.

“

Nonprofits can now allocate their funds to life-changing services and programs rather than construction costs. Thanks to individuals' unrestricted donations throughout the year, HomeAid can often close the gap between what is donated and what the construction project costs.

”

The Kids Clubs of Northern Shenandoah Valley

HomeAid National Capital Region took on a special project in 2022 for The Kids Clubs of Northern Shenandoah Valley, an after-school program providing high-quality youth programs during the summer and after school. For the past 25 years, The Club has provided homework help, social development, and a safe environment for kids despite receiving no federal, state, or local funding. And even more astounding, they are able to charge only \$15 a week per child.

However, The Kids Club has never owned its own playground equipment. With one call to HomeAid, the wheels were in motion to deliver \$63,173 worth of brand-new playground equipment to the after-school program. The equipment provided by HomeAid National Capital Region, was installed free of charge thanks to PlayGo Company and a custom playhouse was built by Stanley Martin Homes and their partners through our Project Playhouse Program.

For the 90 kids served daily at this small nonprofit in Winchester, it's the nicest playground they've ever seen. Their parents don't have traditional 9-5 jobs, so they aren't spending their weekends at the park and recess at schools seem to be getting shorter.

HomeAid National Capital Region knows if The Kids Club didn't exist for the community of Winchester, most kids would be forced to go home alone after school because of the rising cost of child care. This project was more than purchasing outdoor toys, this was an investment in the kids of Winchester, it was HomeAid's way of leading by example and truly meeting the needs of our nonprofit partners and the people they serve.

House of Mercy

House of Mercy's Thrift Store and Food Pantry was renovated by Merritt Construction Services to create a more efficient space to better serve those at risk of homelessness in the Manassas area. The project was 87% donated and focused primarily on adding an interior, climate-controlled space for collecting and sorting donations. An indoor walkway was built to connect the donation drop-off area and thrift store so volunteers no longer have to walk outside to transport donated items from the sorting area to the thrift store. Merritt Construction also expanded the breakroom and kitchen area and increased storage and shelving space for both the food pantry and donation center. Final touches included repainting the entire interior and upgrading lighting fixtures with more efficient LEDs. The renovation of this retail space which serves 1,500 people a month was valued at \$107,017.

AFTER

PathForward

Builder Captains, Van Metre Homes and Toll Brothers, and 23 trade partners completed an extensive, \$127,108 buildout project at Sibert House, a dedicated eight-apartment property owned by PathForward serving chronically homeless individuals with significant needs and barriers to housing. The buildout included the addition of a common room and laundry facility; however, the most critical component of the project was the space for the on-site Life Skills Coach, who is available to residents 365 days a year to help with day-to-day activities. So earlier this year, when one resident showed signs of distress, heightened anxiety, and isolation, the on-site Life Skills Coach instantly noticed and took action to get him help. This included medical and behavioral support, but also navigating the process of setting him up with a companion dog, ultimately saving the man's life, who is now happily living in his own apartment with his furry friend Butterscotch.

The project also included an outdoor pergola, full exterior paint, landscaping, a wider ADA compliant walkway which Touchstone Custom Homes completed.

AFTER

AFTER

Congregational Community Action Program (CCAP)

Builder Captain, Richmond American and 15 trade partners completed a renovation for Congregational Community Action Program (CCAP), Inc., which included repainting, replacing and refinishing flooring, and adding custom shelving for the Clothing House. Visitors will now find a much brighter, more organized, and spacious area to find free clothing for all ages, genders, and sizes, including linens, blankets, and diapers. The project was 100% donated with a retail value of \$75,000. The successful completion of CCAP marks our third project in Winchester.

Financials

In 2022, HomeAid was able to provide an average cost savings of 80 percent to our nonprofit partners. These savings enabled our partners to redirect critical funding into housing, financial education, job skills training, and other critical programs that help individuals and families move out of crisis and toward self-sufficiency. Nearly \$.90 of every dollar we receive is mission-focused and supports the renovation and build projects we complete. Our fundraising events and the generous in-kind donations we receive sustain our work throughout the year and make it possible for us to continue helping those most vulnerable in our community.

Cost Savings:

HomeAid was able to provide an average cost savings of 80 percent to our nonprofit Partners.

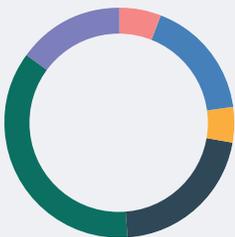

GiveBack:

\$.90 OF EVERY DOLLAR

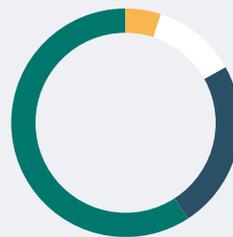

We receive is mission-focused and supports the renovation and build projects we complete.

Revenue: \$1,388,062.37

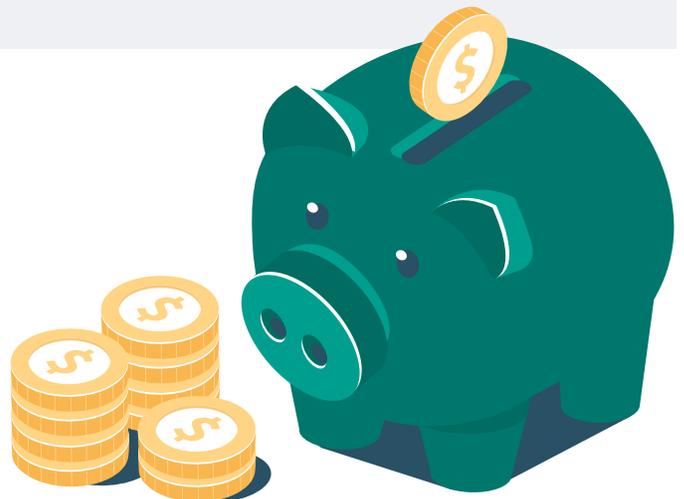

- Events: 36%
- Fundraising: 21%
- Corporate: 5%
- Individual: 17%
- Project Fees: 6%
- In-Kind: 15%

Expenses: \$1,103,552.92

- Construction Program: 36%
- Events: 24%
- Admin: 5%
- Fundraising: 12%

Presidents' Award:
Jason R. McDonough

Trade Partner of the Year: VCI Group

Project of the Year:

2022 President's Circle Awards

The President's Circle Awards recognize companies and individuals whose contributions have significantly advanced HomeAid National Capital Region's mission. The recipients of these awards are acknowledged for their commitment and dedication to improving the lives of those experiencing or at risk of experiencing homelessness.

We Are Honored

Partner of the Year Award:

HomeAid, along with Builder Captain Merritt Construction, were both presented as House of Mercy's *Partner of the Year Award* for our renovation of their thrift store and food pantry.

Best Humanitarian Award:

HomeAid, Toll Brothers and Van Metre Homes received the *Best Humanitarian Award* from the Home Builders Association of Virginia's (HBAV) Housing Excellence Awards for the restoration of a home owned by Bethany House. The award recognizes companies that exemplify leadership, engagement, and dedication to the success of the Virginia building industry.

Excellence in Aging Award:

HomeAid was awarded the City of Alexandria's Commission on Aging (COA) *Excellence in Aging Award*, presented to an organization that has made an outstanding contribution to Alexandria seniors. The award focused on our work in renovating the St. Martin de Porres Senior Center, operated by Catholic Charities in partnership with the City of Alexandria. Thanks to Builder Captains Northfield Construction and Development and Trinity Group Construction for working alongside us on this project.

COMMUNITY OUTREACH

Builders for Babies

- 91,488 diapers donated
- 58,640 wipes donated
- Total – 150,128 diapers and wipes donated
- Total cost of diapers donated \$32,248
- Diapers and wipes distributed to 22 nonprofit partners

Arts in the Park

- 60 people attended Arts in the Park
- Donated \$4,000 in backpacks and gift cards for school supplies
- 76 backpacks purchased and distributed

Home Essentials

- Total Number of Items: 1,434
- Estimated Total Value: \$6,509.55
- Total Monetary Donations: \$684
- \$2,000 in grocery store gift cards + home essential gift cards

Care Days

Care Days are hands-on volunteer service days during which volunteers come together to give back to a local HomeAid nonprofit partner by landscaping, organizing, and cleaning. NVBIA's Future Leaders of the Building Industry lent their time and muscle over the summer to clean up and beautify the landscapes of eight town homes – all affordable housing units owned by Cornerstones. The 23 volunteers trimmed, weeded, planted flowers, and mulched the front and backyards at the housing units after coordinating donations and raising funds to cover supplies and materials.

BUILDER CAPTAINS

Special Thanks

To Our 2022 Third-Party Donors:

Third-Party Events

Third-party events come in a variety of forms and benefit our organization, no matter the size or occasion. These events spread awareness and raise funds that go directly towards our mission of rebuilding lives. In 2022, \$249,470.06 was raised by individuals and companies hosting events in which the proceeds benefited HomeAid National Capital Region.

Thank You To Our 2022 Donors

Ways to Help:

- 1** Become a Builder Captain or Trade Partner and help us build and renovate projects that change lives.
- 2** Participate in our Home Essentials Program and help stock newly renovated homes with household essentials and grocery gift cards to help meet people's basic needs.
- 3** Tie HomeAid to your corporate event, which raises funds for HomeAid and spreads awareness about HomeAid to friends, coworkers, and others in your network.
- 4** Attend a HomeAid event to learn more about us, network with the best in the industry, and support our mission.
- 5** Serve on an event committee and play a role in planning our next success!
- 6** Sponsor an event and put your company name in the spotlight.
- 7** Make a tax-deductible gift to sustain HomeAid's work.

Get in Touch.
