

<p>What is the Project Playhouse Program?</p>	<p>The Project Playhouse program is a HomeAid National Capital Region initiative designed to give the gift of play to children. Every kid deserves to be a kid, and this program allows builders to create custom made playhouses for our nonprofit partners serving at-risk youth.</p>	
<p>How much does it cost?</p>	<p>Playhouses are fully funded by HomeAid, our trades, and builders - and FREE to our nonprofit partners.</p>	
<p>Who can apply?</p>	<p>Nonprofit providers who work with at-risk children.</p>	
<p>What is the process?</p>	<p>After receiving a completed application, HomeAid will review. Once approved, HomeAid will contact the nonprofit to discuss playhouse specifications and will then pair a builder who will design and build.</p>	
<p>How do I apply?</p>	<p>Complete the application <i>below</i> and return to Construction Program Director Erica Simpson along with any questions you may have info@homeaidncr.org</p>	

Project Playhouse application

Application Date:		Organization:	
Property Address:
