

PROJECT PLAYHOUSE

Project Playhouse gives children the gift of play by partnering with builders to create custom playhouses for nonprofits serving at-risk youth. After the completed application is reviewed, HomeAid will contact approved nonprofits to discuss playhouse specifications and pair the nonprofit with a builder to design and construct the playhouse.

Who can apply?

Nonprofit who work with at-risk children and have space for a playhouse are welcome to apply.

How much does it cost?

This initiative is fully funded by HomeAid and our builders at no cost to our nonprofit partners.

Complete the application below and return to:
info@homeaidncr.org
